Texas Right to Life Endorses Larry Gonzales

- Key pro-life advocacy group endorses Republican Larry Gonzales for State Representative -

Round Rock – Republican businessman Larry Gonzales, candidate for State Representative in House District 52, is proud to announce the endorsement of Texas Right to Life. This is the second pro-life organization to endorse Larry Gonzales, the other being Texas Alliance for Life.

“I am honored to receive the endorsement of Texas Right to Life,” said Gonzales. “Their efforts on behalf of the unborn and the elderly are fundamental to our shared conservative values. I have been working with the leadership of Texas Right to Life for many years as a legislative staffer, and look forward to working with them as voting member of the Texas House of Representatives.”

“I have always been unapologetically pro-life, pro-family and pro-community. I believe it’s important for voters to know who I am and exactly where I stand on true conservative issues,” said Larry Gonzales.

“The Texas Right to Life Political Action Committee determined that you share our Pro-Life convictions. Our voter guide and website will indicate that you meet our rigid criteria to be certified as a Pro-Life candidate,” said Adam Black, Political Director for Texas Right to Life.

Texas Right to Life joins the many conservatives groups endorsing Larry Gonzales, including the Texas Association of Business PAC, Empower Texans PAC, Young Conservatives of Texas, Conservative Republicans of Texas, Texas Alliance for Life, Williamson County Republican Assembly, and Texas Apartment Association.

Although Larry is professionally accomplished as a businessman, he is most proud of his 15 year marriage to his wife, Marie. Together they have two children, ages 10 and 8, both of whom are enrolled in the RRISD. For more information about Larry Gonzales and the campaign’s efforts, please visit www.larrygonzales.com.
