“You can't push a magic button to create jobs.”

“It takes planning, experience, teamwork, and an understanding of a free market system that allows businesses to thrive. As your State Representative, I will help create an environment that encourages job growth so people can go to work, provide for their families, and realize their American dream.”
- LARRY

www.larrygonzales.com

VOTE TUESDAY, NOVEMBER 2nd! (Early voting is Oct. 18th - Oct. 29th)

Larry's Priorities:

CREATE JOBS

As a small business owner, Larry knows the challenges facing employers. He will fight over-taxation, frivolous litigation, and unfair regulation, while enacting sound policies that encourage Texas ingenuity, unleash the entrepreneurial spirit, and promote job creation.

INVEST IN EDUCATION

Larry will protect our children's future by investing in education. He will advocate for more education dollars going directly to the classroom, better transparency of use of those dollars, better compensation for teachers, stronger school safety measures and professional support for educators who must discipline school bullies.

CONTROL SPENDING

With an \$18 billion state budget shortfall, we can't afford leadership that would rather raise taxes than reduce the size of government. Larry will eliminate wasteful spending and stop a tax hike on families.

PROPERTY RIGHTS

The best stewards of the land are those farmers and ranchers who care for it. Larry will protect private property rights, trusting and believing in those who care for the land, and will stand against a government that tries to trample this constitutionally given right by taking improperly what belongs to the private citizen.

There is only one pro-business, job creating candidate in the race for State Representative.

That candidate is **Larry Gonzales.**

JOBS

Larry's key principles to creating good paying jobs in Williamson County:

- ✓ **Larry will create a job friendly environment** by fighting over-taxation, frivolous litigation, and unfair regulation, while enacting sound policies that encourage Texas ingenuity.
- ✓ **Larry will ensure government plays a limited role**, fostering an environment where the natural, entrepreneurial spirit of Texans can grow and thrive.
- ✓ **Larry believes in a free market system** that allows employers to do what they do best - create jobs and provide opportunities.
- ✓ **Larry will make certain our higher education institutions are accessible** and continue to train and produce a diversified workforce, ready for any employment opportunity that comes to Williamson County.

Larry knows good paying jobs enhance our economy.

- ✓ When people make money, they spend money, expanding our economy.
- ✓ Retail sales and home sales lead the way to a strong and diversified economy, providing stability and economic opportunity for a community.
- ✓ A stable and prosperous economy brings more growth into the community, and the cycle begins again.

“Larry Gonzales has shown he truly understands what it takes for individuals, and a community, to be successful and to prosper. We need Larry Gonzales and more just like him in the Texas Legislature.”

– **Kevin Christian, J.D.**

Former Executive Director, Governor's West Texas Office of Economic Development & Tourism

About the **Gonzales** family

The Gonzales Family

Larry and his wife Marie have been married for almost 16 years and have two children - Leah (10) and Alexander (8). Both children attend Deep Wood Elementary School in the RRISD.

Larry was raised in Alvin, Texas, where his parents have been serving as pastors for more than 20 years and Police Chaplains for over 5 years.

Larry has owned a small business in Williamson County since 1996. He most recently served as an Assistant Vice Chancellor for the Texas State University System.

Marie is a 1990 honors graduate of Round Rock High School, and has been employed in RRISD for 15 years, currently serving as Department Chair for Special Education at McNeil High School.

The Gonzales' are active in the community, attend Shoreline Christian Church, and are involved in youth soccer, piano, art, and Girl Scouts.
