

Larry Gonzales. THE Education Candidate in HD52.

“Education is a critical first step to a successful career in our modern economy. As our students succeed, they become contributing members of our economic society and our community prospers.

“As your State Representative, I will work tirelessly to make certain our public education and higher education systems are the envy of the nation, working together to provide a world-class education.”

“I have known personally, and have had the opportunity to work with professionally, the Gonzales family. I am certain Larry is the best candidate to serve as State Representative in HD52. His depth of knowledge that comes from his personal and professional experience of our educational system from Kindergarten through post secondary is impressive, and I am certain he can apply that insight when he makes decisions for us in the Texas Legislature.”

- Johanna Lehane

Retired Associate Principal, Westwood High School

Larry Gonzales.

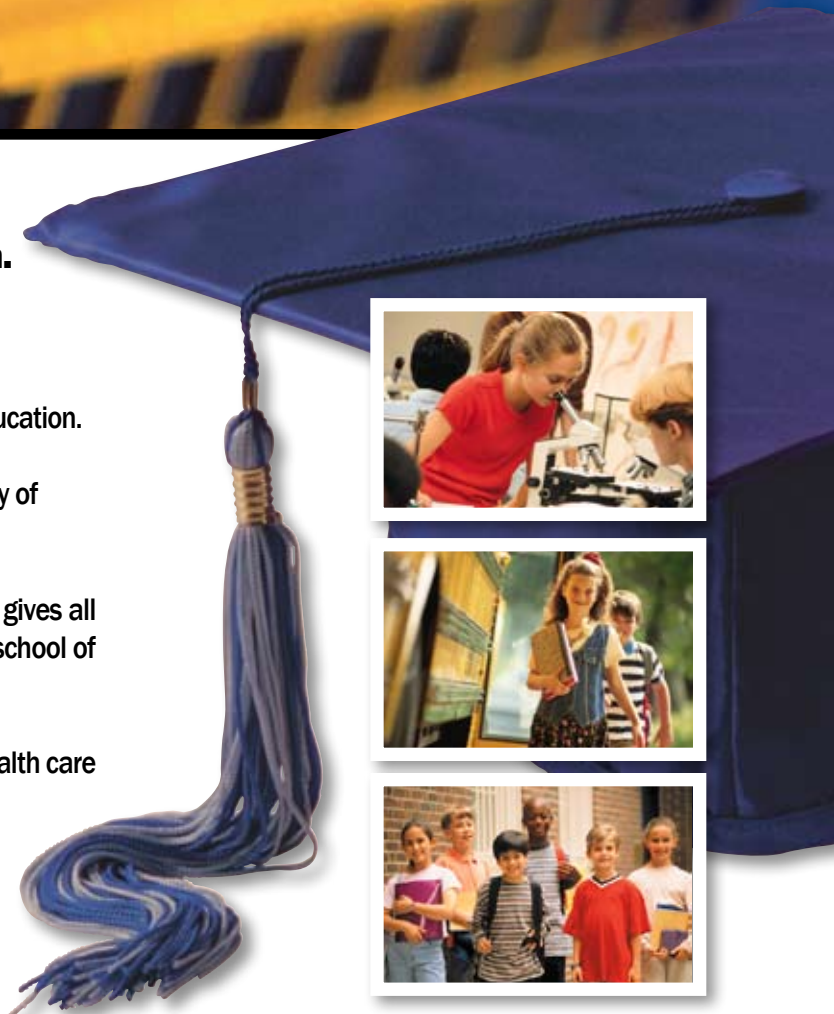

Educational Leadership and Experience You Can Trust.

Key principles for successful Williamson County schools.

- ★ Improve student achievement by directing more dollars directly into the classroom.
- ★ Greater accountability and transparency of education dollars.
- ★ Work to increase teacher and retired teacher compensation.
- ★ Encourage decision-making at the local school district level.
- ★ Re-emphasize career and technical training programs.

Strengthen higher education.

- ★ Help reign in the rising cost of higher education.
- ★ Greater accountability and transparency of higher education dollars.
- ★ Fair University admissions process that gives all students the opportunity to attend the school of their dreams.
- ★ Address the immediate needs of the health care industry and workforce goals.

“We must prepare our students for the life and job demands they are going to face. That’s why improving education must always be a top priority.”

“As the husband of a special education teacher, I know we need to: get dollars directly into the classroom where it has the greatest impact on student achievement; improve teacher pay; and demand more accountability in budgeting to protect taxpayers.”

“My name is Larry Gonzales, and I will not stop working to improve our schools.”
